

第52回全国高等学校空手道選手権大会

The diagram illustrates the 2019 All Japan High School Baseball Championship tournament. It features 48 teams, each represented by a box containing their name and prefecture. The teams are arranged in two columns, with the left column representing the top half and the right column representing the bottom half of the tournament. The bracket is color-coded: red lines for the top half and black lines for the bottom half. The tournament progresses through four rounds, with teams being eliminated at each stage. The final match is between Team 49 (光武 花・高松中央・香川県) and Team 96 (町田 結・酒田南・山形県). Various tournament codes (e.g., T1-1, T2-1, T3-1, T4-1) are placed at the junctions of the bracket, indicating the specific match or round. The diagram also includes various statistics and codes for each team, such as their record, batting average, and other performance metrics.
